

Thursday 2nd February 2017

Dear Parent/Carer,

Year 5 children will be holding a Space Day, in school, on Friday 10th February 2017. During Space Day, Year 5 will participate in a number of fun and engaging activities to bring their current Blast Off theme to a close. These will include completing a space scavenger hunt; making and measuring the distance travelled by rockets; and reading and creating instructions for a marshmallow alien.

On the day, Year 5 children are invited to come to school dressed as an alien/astronaut or any other space-themed costume (ideas for this are found on the bottom of this letter.) However, if your child does not wish to come dressed in a space-themed costume, they are to wear their usual school uniform.

Lunch, playtimes and the beginning and end of the school day will all be as usual.

When making their alien, the children will be using a variety of ingredients:

- Marshmallows
- Icing
- Pretzels
- 100s and 1000s

If your child is allergic to any of the above ingredients, please let us know by completing the form at the bottom of this letter.

Many thanks for your support,

Miss. R. Ogden and Mrs. S. Robinson.
Y5 Teachers

My child is not allergic to any of the ingredients mentioned in the letter.

My child is allergic to the following ingredients:
